

SPORTS PARK UPDATE

The following are recent construction photos of our Sports Park:

The Recreation Center with the finished roof, painted exterior walls, and natural stone accents on the exterior.

The application of stonework to the exterior of the southern-location Clubhouse, Concession and Restroom building is in progress.

Grinding the gymnasium floor to make a perfectly level playing surface. Last week, the contractor placed the asphalt paving for the roadways and parking lots for the Sports Park. They also started working on the finishes inside the Recreation Center, including installing the first cabinets, tile flooring and window frames.
